AZORES

BORA BORA

NORTHWEST PASSAGE

TEST & DOCUMENT

A mobile platform for practical trials of energy systems, propulsion, navigation, sensors and onboard equipment.
Scope and reporting agreed with each partner.

SHARE THE EXPERIENCE

Planned updates via our website, digital host Johanne, Facebook, Instagram, YouTube, LinkedIn, X and Snapchat.
Planned 24/7 mast-camera streaming when connected.

ONBOARD SHOP

Guests and followers discover products in use and order online.
Partners pack and ship directly from their warehouse to the customer.

LET'S DISCUSS A COLLABORATION
